# NIL

Nil est une série de tables hautes harmonieuses et naturelles, au style chaleureux. Elle se caractérise par les bords arrondis du plateau et les pieds en bois hêtre massif.

Nil es una serie armónica y natural, de mesas altas, con estilo hogareño. Su principal característica reside en los cantos redondeados del sobre y en sus patas de madera de haya maciza.

Nil is a harmonious and pure high table with homely style thanks to its solid beech wood legs. As well it avoids the risk of a painful bump because of the rounded corners of its top.
